1. Publisher

The website neural-bet.com, the Neural Bet Telegram bot and the associated mini-application (together, the "Service") are published by Winastar Consulting FZ LLC, a free-zone company registered with the Ras Al Khaimah Economic Zone (RAKEZ), United Arab Emirates, under licence no. 46000346.

2. Publication director

The legal representative of Winastar Consulting FZ LLC.

3. Hosting

The website and services are hosted on servers located in the European Union. On-chain data (deposits, transfers, wallet balances) is public by nature and can be consulted on the relevant blockchains (Polygon, Ethereum, Base, BNB Smart Chain, Tron).

4. Intellectual property

All content of the website (texts, visuals, logos, code, algorithms) is the exclusive property of Winastar Consulting FZ LLC or its licensors. Any reproduction, representation, modification or use, in whole or in part, without prior written consent is prohibited.

5. Nature of the service and no advice

Neural Bet is automated arbitrage software operating on prediction markets. It is neither investment advice nor an offer of regulated financial services. The Terms of Service (v5) and the Risk Disclosure

form an integral part of this notice.

6. Territorial restrictions

The Service is not intended for persons residing in a jurisdiction where its use would be prohibited or subject to authorisation, nor for persons under 18. Each user is responsible for verifying the legality of using the Service in their country of residence.

7. Governing law

This notice is governed by the laws of the United Arab Emirates and the applicable regulations of the Ras Al Khaimah Economic Zone, without prejudice to mandatory consumer-protection rules applicable in the user's country of residence.

8. Contact
